Dear Mrs. Ward;

We have received the minutes of this year's water meeting. As you have again been elected as treasurer of your district, an oath of office is enclosed for your signature. Once we receive your notarized oath, a certificate of appointment will be issued. Two Adopted Budget forms are also enclosed for your use.

With regard to the call-on petition for watermaster services, you can require 3 signatures rather than the single signature required by law. Our only concern would be that gathering the extra signatures does not unreasonably delay the appointment process. Although I already sent a petition to Tommy, another one is enclosed per your request. I sent his oath of office to him on March 7, but have not yet received his notarized oath; he cannot be appointed until we have both the signed oath and the signed petition.

Regards,

James E. Stanton  
Sr. Water Resource Agent
